TO WILLIAM HARVEY, Esq;

Knight of the Shire for the County of Essex.

S I R,

PERMIT me to present you with a List of the Freeholders of the County of Essex.

In such an extensive County, containing so great a Number of Freeholders, the continual Change of Property, by Death and Alienation, makes it impossible to give Perfection to a Compilation of this Nature.

I have therefore to hope, Sir, that you will do me the Favour to accept it as it stands, and receive it as an Earnest of my sincere Desire to oblige you, being assured that I cannot do you a more desirable Pleasure, than to introduce to your Acquaintance the Names of the Freeholders of the County of Essex; who, to hold in Friendship, is your most ardent Wish; and, to represent in Parliament, you esteem as the highest Honour.

That you may receive their Suffrages through Life without Opposition; and that a mutual Con-

fidence and Friendship may ever subsist between you, is the sincere Wish of him who has the Honour to be,

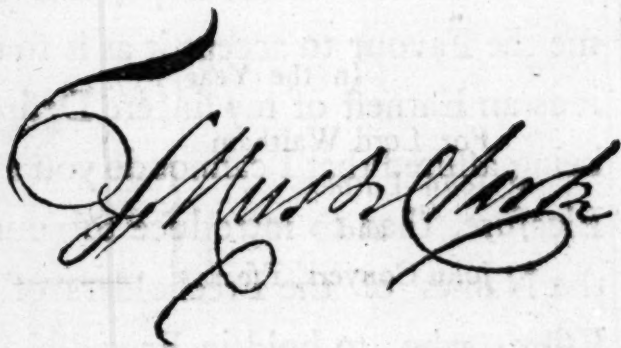

With every possible Mark of Respect and Esteem,

S I R,

Your most Faithful,

And most Humble Servant.

Nov. 28, 1775.

A large, elegant handwritten signature in cursive script, which appears to read "John Jay". The signature is written in dark ink and features a prominent, sweeping flourish at the beginning.

In the three last contested Elections for Knights of the Shire to represent the County of Essex, the total Numbers of Freeholders were as follows, viz.

In the Year 1763.

For John Luther,	}	5123
and		
John Conyers, Esqrs.		

In the Year 1768.

For Sir William Maynard, Bart.	}	4877
John Luther,		
Eliab Harvey,		
and		
Jacob Houblon Jun. Esqrs.		-----

In the Year 1774.

For Lord Waltham	}	3194
John Luther,		
and		
John Conyers, Esqrs.		

The Use of the above Observations are intended to shew that this Book contains 2125 Freeholders Names, more than were Polled at either of the above Elections.—And that an industrious Candidate will find his Time amply rewarded at the Poll, *in case of Opposition*, by consulting this Alphabetical List.
